IN HER OWN WORDS:

St. Joseph, Our Patron and Protector

When the faith of the world seemed failing...one very saintly Bishop rose and proposed that, "We should make more of Saint Joseph. He knows how to manage in a human and spiritual way. He has at heart the general interests of God's Church"...make Saint Joseph the Patron of the Universal Church.

Jesus and Mary and Joseph were together in their holy home for so long a period just for the reason that they might gain grace for other homes and give the example.

He did not want the world's way. His way was God's way.

Heretofore he had shared all [the Blessed Virgin's] sorrows, but in the future, when he was gone, she would have to bear them alone; that perhaps, was the hardest trial that came to Saint Joseph in the prospect of death, but even that he offered up to God.

We have much for which to thank Saint Joseph. He has been a faithful friend.

Do something special for Saint Joseph today and every day in return for his help, and thereby procure further blessings.

As Patron of the universal Church it is Saint Joseph's duty to bring everyone in the world safe to God. Therefore, he will help us, because this purpose is also ours—that each and all may be saved.

Ask Saint Joseph to be as reliable toward us as he always was toward the Holy Family — strong, sturdy and generous.

Have confidence in Saint Joseph.

Why should Saint Joseph be a patron of our work? Because he had all the management and responsibility, the care and guidance of the Holy Family. He it was who had to bear the privations and the brunt of all complications. He had perfect faith through all.

There is not a sorrow in family life that cannot be sanctified by a similar painful trial in the holy home in Bethlehem, in Egypt or in Nazareth—I do not except any trouble one may meet, from birth to death; one may have a model in the Holy Family.

arrival of Mother Mary Teresa. On August 15, 1920 Mother Mary Teresa arrived in New York City and the Community officially began in the Archdiocese of New York. We thank God for the Sisters' trust in our patron and protector!

In this issue of the Newsletter you will see some pictures of Sister Mary Josita, Assistant General Superior, and one of our Associates beginning the process of cutting pieces of a habit touched to Mother Mary Teresa's remains. This is being done so that we will be able to begin distributing 3rd class relic prayer cards. As soon as they are completed, you will receive them.

In October, 2017, Sister Margery

Therese and I traveled to Nigeria, via Rome. We met with our Postulator, Dr. Waldery Hilgeman; the Relator of Mother's Cause, Msgr. Maurizio Tagliaferri; and with Msgr. Robert Sarno of the Congregation for the Causes of Saints. We received instructions on how to complete the Positio, which I am now taking care of. Of course, I depend on all of your prayers!

Finally, a note of gratitude for all that each of you are doing to promote the Cause of Servant of God, Mary Teresa Tallon. We count on your prayers and your assistance in advancing Mother's Cause.

God bless you all – and a Blessed Easter to you!
